Needs

- I need to keep up with my workouts so I will not fall behind in strength.
- I need to be strong as a dual-threat quarterback.
- I need to understand how to successfully complete exercises.

Values

- I value hard work and diligence
- I value greatness

Criteria For Success:

I need to workout and see my strength improve over time. I enjoy being organized and knowledge about what I am doing to feel successful

Wants

- I want a good career in the National Football League.
- I want to outwork anybody on and off the football field.
- I want to support his family.

Fears

- I fear failure
- I fear being useless in times of need

Criteria For Success:

I need a routine like I had in the Army. Something that translates to the Military style PT I'm used to.

Needs

- Consistency and repetition.
- Weight loss and general fitness over muscle tone
- Needs to be something I can do 3-4 days a week
- Low impact due to knee injuries

Values

- Straight and to the point instruction
- Ease of use day to day

Wants

- Lose 10-20 pounds and keep it off
- Feel more energetic
- Look forward to the gym at the end of the day

Fears

- Confusion of workouts leading to giving up
- Further injury due to ignorance of proper form

Leeroy Jenkins

age: 36

residence: New York

education: Bachelor of Science in Elementary Education

occupation: Science Teacher

marital status: Married with kids

I started putting on some weight and decided its time to workout.

I usually spend most of my day teaching at a elementary school. However, I spend my free time playing video games and watching movies with my family.

Criteria For Success:

I need to learn how to properly workout because I have never worked out in my life. Once I lose some weight, I'll feel successful.

Needs

- I need to learn proper workout routines.
- I need to prioritize losing weight over gaining lots of weight from muscle building.
- I need help with keeping the weight off.

Values

- I value being helpful and useful.
- I value people who are ready to help those who want to better themselves.

Wants

- I want to lose at least 10-20 pounds.
- I want to be able to move active with my family.
- I want to have better health overall.

Fears

- I fear that I won't be able to accomplish my weight goals.
- I fear that I won't keep up with the workouts.

Brynn Saunders

age: 27

residence: Annapolis, Maryland

education: University of Pennsylvania

occupation: Accountant

marital status: Single

I true home body trying to develop a more active lifestyle.

With an office job during the week, my life is pretty sedentary. I played sports all of my childhood and stopped when I entered University. Now I go to work, go home and relax, maybe go grab drinks with my friends.

Needs

- Proper, clear instructions about workouts and equipment.
- A plan geared specifically for me, looking at my past experience and evaluating my state now.
- To be an active individual with a desk-bound job.

Values

- Efficiency and directness in instruction.
- Motivational support.

Criteria For Success:

I need a plan to help me get back in shape. Since I once was pretty active I have a distant idea of fitness but I need reminders, guidance and proper plans to feel improvement but not push myself to burnout.

Wants

- I want to feel healthier.
- I would like to maybe lose a few pounds.
- I would like to gain some muscle, and tone up.
- Overall look healthier.

Fears

- Embarrassing myself in a fitness setting.
- Not seeing or feeling any progress.
